ALPHA HUB PRAYER

Loving God,
eternal and infinite,
Alpha and Omega,
the beginning and the end,
the source of all life and love.

We ask your blessing on the Hubs,
and specifically we pray for ALPHA;
we pray for the churches by name.

Grant us the grace not only to rejoice
in the work of the church we call home,
but also to see beyond our own walls,
to recognise the unique gifts and ministries of each church.

May we watch over one another in love,
share resources, offer encouragement,
show mercy, and lift each other up in prayer.

May we learn from one another,
growing in our understanding
and deepening of our discipleship.
We pray for opportunities to serve together,
to reach out to our communities,
demonstrating the power of your love
and the strength of your Spirit.

May our unity not be a forced conformity,
but a harmonious expression of your diverse body,
each member contributing to the whole.

Loving Holy Trinity,
inspire, equip and empower us all.
We pray this in and through
the name of Jesus Christ. AMEN

If you want to pray for the Omega Hub, replace the word Alpha with Omega, and the list of churches with The Bridge, Bromsgrove, Peckwood Forest Church, Rowney Green & Studley.
